The screenshot shows the MakeMKV BETA application window. The title bar reads "MakeMKV BETA". The menu bar includes "File", "View", and "Help". The toolbar contains icons for file operations and settings. The main area is a tree view of a Blu-ray disc menu. The "Type" column lists the selected items, and the "Description" column provides details for each. The right sidebar shows the "Output folder" set to "E:\MM\Downloads" and "Track information" for the selected subtitle track.
